penitentiary one time.

SPEAKER: Senator Skarda.

SENATOR SKARDA: I directing another question to Senator Nore then, does this same thing apply to building and loans, credit associations, and what may be.

SENATOR NORE: I don't know.

SENATOR SKARDA: Does anybody know?

SPEAKER: Senator Duis.

SENATOR DUIS: Yes, probably even more stringently in savings and loan associations in making loans to their employees, they generally send them over to another savings and loan association to get their loans, but I would presume in time that would relax too because savings and loan associations are examined by the state banking examiners and also the federal examiners the same as banks are and consequently, times have changed tremendously.

SENATOR WILTSE: I move that it be advanced to E & R.

SPEAKER: It has been moved and seconded that LB 140 be advanced to E & R for Review. Are you ready for the question. All those in favor vote aye, those opposed vote no. Have you all voted. The clerk will record.

CLERK: 33 ayes, Mr. President, on the motion to advance.

SPEAKER: The bill is advanced. Senator Duis, we had your bill up here. What number was it or is it on the board. You happened to be, momentarily, out. Before that, Senator Cal Carsten, you had some comment you wanted to make.

SENATOR CAL CARSTEN: Mr. Speaker, and members of the Legislature, I rise to a point of information. I had assumed that we were to have a committee report on
